

Books By The Foot

The Susan Ozubko Memorial Collection was established to honor a board Member. Susan passed away in 2003 shortly after the opening of the new library. Susan Ozubko was a librarian in the Bay Area of San Francisco who moved to Hemet with her husband Gene and became a valued member of the Foundation.

The first order of Books by the Foot was officially presented to the Library during Children's Book Week in November 2006. Over 380 books, approximately 12 feet, were added to the children's book collection on subjects from 'How To Draw Animals' to 'World History.'

The Foundation thanks all who made this first purchase possible. Donations to The Susan Ozubko Memorial Books By The Foot will continue to be accepted as an ongoing program of the Foundation to satisfy the need for children's books.
