

Endowment Fund

The Hemet Library Foundation has established an endowment fund with The Community Foundation Serving Riverside and San Bernardino Counties. This fund enables the Foundation to receive gifts from donors who wish to preserve the principle and use only the interest which those funds generate. It also enables the Library to receive gifts of life insurance, securities, U.S. savings bonds, annuity contracts and tangible property. The Community Foundation can be reached at 951-684-4194.
